Introduction / Background

Each year, the Local Authority is required to draw up, consult on and determine:

- Co-ordinated admissions arrangements (schemes) for all schools/academies/UTCs in the Local Authority area for entry at the normal time of admission (Year R for infant and primary schools, Year 3 for junior schools, Year 7 for secondary schools and Year 10 for UTCs) and also for all year groups throughout the academic year (In-Year Admissions) and
- The over-subscription criteria / arrangements for entry to those schools for whom the Local Authority is the admission authority (Community and Voluntary Controlled schools).

The admission arrangements for Foundation and Voluntary Aided schools will be available from each school and to view on the Medway Council website at www.medway.gov.uk/admissions.

The Council re-allocates any places that have become available to those who have asked to go on the waiting lists for each school	From Wednesday 24 May 2017 until Sunday 31 December 2017

In addition this scheme allows for:

- Supplementary Information Forms (SIFs) to be returned directly to schools to assist in the ranking of applicants against the schools over-subscription criteria by the closing date for applications (16 January 2017).
- Confirms that after 24 May 2017 the Council considers applicants through the normal waiting list / In-Year procedures.

The Council expects that all schools and admissions authorities engaged in the sharing of admissions data will manage personal information in accordance with the Data Protection Act.

Deferred start:

Parents/carers are not obliged to start their child at school until the beginning of the term after the child is five.

Parents/carers who have been offered a September place may defer their child's admission until later in the school year or until the child reaches compulsory school age in that school year without losing the offer of a place.

Part-time attendance:

Parents/carers can also choose that their child attends part-time until the child reaches compulsory school age.

Similarly, parents can choose that their child starts full time from the start of the academic year, even if the school would prefer phased part-time attendance to begin with.

Delayed start to the next academic year:

Parents/carers of children born between 1 April and 31 August (summer born) may decide to delay their child's entry to school until the September following their fifth birthday. Usually in these cases any place that has been offered in the chronological Reception year cannot be held open until the next academic year. This means that the place offered will be withdrawn and the family will have to re-apply as an in-year admission for the following academic year for Year 1. The child may miss Reception year completely.

Medway Council, academies and other own admission authority schools will consider individual requests to defer entry to Reception year in the following academic year on a case-by-case basis. If parents/carers wish to apply to do this they should submit a written request along with information stating why this is in the best interest of their child. This may be on the basis of academic, medical, social, emotional or behavioural need or if the child is a premature child who would have fallen into a lower year group had they gone to full term. All requests will be carefully considered but it cannot be guaranteed that such requests will be approved.

Please note: such requests for delayed start must be made prior to or at the time parents/carers would normally be applying for school places for the following year. This is to ensure that parents/carers have the opportunity to apply on-time should their request not be granted.

To discuss these options before submitting an application, parent/carers should contact the Student Services Team at the time when they should be applying based on their child's live date of birth

Parents/carers are not able to defer entry beyond the beginning of the term after the child's fifth birthday.

The school application process

All relevant dates for the following procedures are detailed in the 'Key Scheme Dates' table above

1.
Medway resident parents/carers will have the opportunity to apply for their child's school place either online at www.medway.gov.uk/onlineadmissions or using a paper form known as the Reception Common Application Form (RCAF) and Junior Common Application Form (JCAF).

The Council cannot accept multiple applications for the same child. A parent/carer must use either of the above methods, not both.

If the Council receives multiples applications, they will contact the parent/carer to ascertain which application is to be used. Until such verification is received none of the applications for that child can be processed.

2.
The paper RCAF will be used for the purpose of admitting pupils into Year R (the first year of primary education) and the paper JCAF for Year 3 of junior schools only (as listed below). Online applications cover both of these options.

Junior schools:

Balfour Junior School	Bligh Federation-Juniors
Cuxton Community Junior School	Delce Academy
Featherby Junior School	Hempstead Junior School
Horsted Junior School	Luton Junior School
Parkwood Junior School	Phoenix Junior Academy
St Margaret's CE VC Junior School	The Gordon School-Juniors

3.
The Medway online application or paper RCAF/JCAF will be used by Medway parents/carers as a means of expressing between 1 and 6 preferences for their child to be admitted to a school inside or outside the Medway area (including Academies, Voluntary Aided (VA) and Foundation schools).

4.
Online applications, paper RCAFs/JCAFs and supporting publications will:

- (a) Allow **Medway resident parents/carers to express up to six preferences** in priority order. Preferences can be expressed for Medway and non-Medway schools (except special or independent schools).
Parents/carers must complete the application for their home Local Authority (i.e. the LA where they live).
- (b) Allow parents/carers to give reasons for each preference, including details of any siblings that attend the school at the time of application and will still be on roll at the preferred school at the time of the applicant child's admission.
NB: The in-year admission of a sibling will not constitute a sibling link if the older sibling is admitted/put on roll of the school after the closing date for applications under this process.
- (c) Explain that parents/carers will receive the offer of one school place only and that a place will be offered at either:
 - the highest named preference for which they are eligible and where there is a place available, or
 - if a place cannot be offered at a school named on the application, a place will be allocated at the nearest appropriate school with a vacancy.
- (d) Specify the closing date for applications and where paper RCAF/JCAF must be returned to, in accordance with paragraph 9.

5.

The Council will make appropriate arrangements to ensure:

- (a) That the online admissions website is readily accessible to all who wish to apply using this method. To this end it is not mandatory for an applicant to have an e-mail address to apply, therefore parents/carers can use library and/or Internet café facilities.
- (b) The paper RCAF/JCAF are readily available on request from the Council, Medway maintained primary, infant and junior schools to complete and return either to the Council (the address will be provided on the form) or to any Medway primary, infant or junior school.
- (c) A composite prospectus of all Medway maintained primary, infant and junior schools and written explanation of the co-ordinated admissions scheme is readily available on request from the Council, Medway maintained primary, infant and junior schools and is also available on the Medway Council website to read/print.

6.

Only preferences expressed on a submitted online application or on a paper RCAF/JCAF are valid applications.

7.

An Academy, Voluntary Controlled, Foundation or Voluntary Aided school can ask parents/carers, who wish to express it as a preference on their online application or paper RCAF/JCAF, to provide additional information on a Supplementary Information Form (SIF) only where the additional information is required for the governing body to apply its over-subscription criteria to the application.

Where a SIF is required it must be requested direct from the school or will be available via the Council's website as part of the schools published admission arrangements.

SIFs must be returned to the relevant school by the closing date for applications.

All schools that use SIFs must include the proposed form in their consultation document with other admissions authorities, including the Council, and in their published admission arrangements.

8.

Completion of a school's Supplementary Information Form only does not constitute a valid application. **The school must be named on the parent/carer's school application though their home local authority.**

9.

Applications must be submitted online and paper RCAF/JCAF returned to the Council or any Medway primary/infant/junior school by the closing date.

The Council will arrange for the paper forms to be returned by Medway primary/infant and junior schools after the closing date.

NB: After the closing date no changes of preference can be permitted, except in exceptional circumstances.

10.

The Council will co-ordinate the allocation of places and works in partnership with all schools, including own admission authority schools/academies, to determine which applicants are to be offered a place at their school/academy.

The Council will only make the final decision about the offer or refusal of a place at a named preference on the online application or paper RCAF/JCAF where:

- (a) it is acting in its separate capacity as an admission authority
- (b) an applicant can be offered a place at more than one preference
- (c) an applicant cannot be offered a place at any named preference and therefore has to be allocated a place at the nearest appropriate school to the home address.

Medway operate an 'Equal Preference' scheme. This means that all preferences are considered equally and the order of preference is between parents/carers and the Council. The Council will look to offer a place at the highest named preference for which the child is eligible and where a place is available.

Crown Servants:

For children of crown service personnel the usual protocols, processes and oversubscription criteria will apply, but a future address will be accepted and a place sought in advance of residency, as long as the application is accompanied by confirmation of the posting, future address and date of posting (as defined in the School Admissions Code). If no future address is available at the time of application the quartering/barracks address can be used.

The school allocation/offer process

All relevant dates for the following procedures are detailed in the 'Key Scheme Dates' table above

11.

The Council will advise all Medway primary, infant and junior schools of an indication of the number of preferences expressed for them (these figures may not be the final preferences). Any necessary inter-LA data exchange will have been completed prior to provision of this data.

Schools/academies will only be advised the number of each preference (1st – 6th) and not any pupil specific data. They will not be told which children have named them as which preference.

12.

The Council will advise all Medway primary, infant and junior schools of the full details of all valid applications for their schools to enable them to undertake the relevant checks (sibling links, etc) and to consider against their over-subscription criteria. **This list is known as 'the ranking list'.**

This data will not include which preference the school/academy has been named, as this is not relevant to the application of oversubscription criteria.

The Council will have already undertaken distancing for all applicants to all schools. Any issues arising from these checks must be reported to the Student Services Admissions Team no later than Friday 3 March 2017.

Only children who appear on the ranking list can be considered for places on the relevant offer day. No other child can be added by the school for any reason.

Ranking lists will be sent by the Council via the S2S/secure access website to comply with data protection and information governance procedures.

13.

All schools **must** return completed ranking lists, ranked in priority order in accordance with their over-subscription criteria, to the Council by the date specified above for consideration in the allocation process. For Community and Voluntary Controlled schools, the Council will act as the admission authority and have the final decision on the ranking of applicants.

Completed ranking list must be returned via the S2S/secure access website to comply with data protection and information governance procedures.

14.

The Council will import all ranked lists to the admissions database and run the algorithm to determine the allocation of places:

- Where the child is eligible for a place at only one of the named schools, that school will be offered
- Where the child is eligible for a place at two or more of the named schools, they will be allocated a place at whichever of these is the highest ranked preference

- Where the child is not eligible for a place at any of the named schools, the child will be allocated a place at the nearest appropriate school with a vacancy

15.

The Council will inform all schools of the pupils to be offered places at their school. Infant schools will also be advised of the destinations of their Year 2 pupils.

Medway Council will have completed any data exchange with other local authorities prior to sending offer lists to schools, to cover situations where a Medway resident has named a school outside Medway, or a parent living outside Medway has named a Medway school.

Offer and destination lists will be sent via the S2S/secure access website to comply with data protection and information governance procedures.

16.

On the offer day determined above, the Council will:

- (a) send an offer e-mail after 4pm to those **Medway resident parents/carers** who have applied online and provided an e-mail address.
- (b) send **all Medway Parents/carers** school offer letters (by 1st class post). The letter will give the following information:
 - The name of the school at which a place is offered.
 - The reasons why the child is not being offered a place at any school named on the RCAF/JCAF as a higher preference than the school offered.
 - Information about the right of appeal against the decision to refuse places at other named schools.
 - Information on how to request a place on a waiting list for schools, if they want their child to be considered for any places that might become available.

Schools will send out their welcome letters no earlier than the date shown above. This is to ensure that parents/carers have received their formal offer from the Council ahead of receiving any letters from the relevant school/academy.

The appeal and waiting list/reallocation processes

All relevant dates for the following procedures are detailed in the ‘Key Scheme Dates’ table above

17.

Acceptance/Refusal:

By the deadline date for acceptance/refusal of places parents/carers must inform the school offered whether they wish to accept or refuse the place offered on offer day.

Acceptance/refusals must be made in writing or via e-mail to the school (parents/carers will be provided with a pro-forma to complete and return to the school offered).

Schools must cross check to make sure the child appears on their offer list from the Council and contact Student Services if anyone attempts to accept a place but actually was not originally offered.

The Council will request details of all refusals received by schools/academies to be sent to the Student Services Team immediately following this deadline date.

Waiting Lists:

Parents/carers must also submit requests to be included on a school's waiting list by this date. Requests must be submitted to the Council for all schools/academies and parents/carers can ask to be considered on the waiting list for any Medway school/academy (it is not limited to those originally named on the application form).

Appeals:

Parents/carers must submit any appeal request by this date. At this stage parents/carers can only appeal for schools that they originally named on their application form.

Parents/carers who lodge an appeal will automatically be added to the waiting list for that school.

To ensure that the process is made easier for parents/carers, a standard appeal form for any school they named will be included with the offer letter (for those schools/academies that have agreed to use such a form). Appeal requests for Community and VC schools must be returned to the Council and appeal requests for Academies, Foundation and VA schools must be lodged with the Clerk to the Independent Appeal Panel c/o the relevant school/academy.

18.

From the date specified in the above table, the Council will undertake the first tranche of the reallocation of any vacant places for all schools/academies.

Only children who have requested to be placed on the waiting list for a school/academy can be considered for vacant places at this time.

All waiting list requests will be treated equally against the schools over-subscription criteria, regardless of whether the school was originally named as a preference.

After this time reallocation will become an ongoing process as vacant places become available until the Council waiting lists close.

19.

Waiting Lists:

Parents/carers may ask for their child's name to be kept on a waiting list should places become available from the beginning of the reallocation period until the waiting lists close.

If a school requested on the waiting list form for the first time is unable to offer place at reallocation, the parents/carers will also have the right of appeal for that school.

In accordance with the School Admissions Code waiting lists will be held by the Council (on behalf of the relevant admissions authority) until 31 December 2017. After this time the 'Council waiting list' will close and schools/academies may choose to hold their own expression of interest lists for casual admissions.

Also after the 'Council waiting list' has closed, parents/carers must re-apply for places under the Casual (In-Year) admission procedures. All outstanding applications and waiting list requests will be closed and no longer considered after 31 December 2017.

Waiting lists will be held in accordance with the published over-subscription criteria for the school and not according to how long the child's name has been on the list.

Any place that becomes available must be offered to the next child on the waiting list, who has the highest eligibility under the published oversubscription criteria.

The handling of late applications

Please note: late applications cannot be made online. All late applicants must complete a paper RCAF/JCAF and return it direct to the Council.

20.

By Friday 30 January 2017

As far as reasonably practicable, applications for places in the normal admissions round that are received late for a good reason will be accepted to be processed on time, provided they are received by the Council by this date.

Such applications must be accompanied by a written explanation of the reasons for late submission. Only exceptional circumstances (good reason) can be considered by the Student Services Management Team.

Exceptional circumstances or 'good reason' may include serious illness, bereavement, late move to the area, etc.

Late applications received from families that have just moved into the area must be accompanied by sufficient proof of move. This can be a copy of a signed tenancy agreement, exchange of contracts or completion documents.

The decision on whether a reason for late application is acceptable will be at the discretion of the Student Services Management Team.

If it is decided that the reason for late submission do not constitute good reason, the application will be held until after allocation on 18 April 2017 and will be considered at re-allocation.

21.

After Friday 30 January 2017

Any application received (for whatever reason) will not be considered for places on 18 April 2017.

They will be held pending and included in the ongoing reallocation of vacant places as defined above and after consultation with the relevant admission authority for the named schools/academies.

The child's name will automatically be placed on the waiting list for any schools/academies they named as a higher preference than the school/academy actually offered. Parents/carers can still request to added to waiting list for other schools/academies under the above detailed waiting list processes.

The over-subscription criteria and published admission numbers detailed below relate to those schools for which Medway Council is the admissions authority and are correct at the time of going to print.

Some schools may be in the process of converting to or will be converted to academies by the start of the relevant academic year for this scheme. Where this is the case arrangements determined through this consultation will transfer to the academy and if it then chooses to amend admissions arrangements in the future it will be through its own consultation on changes for future admissions years.

Section 2 – Over-subscription Criteria of Community and Voluntary Controlled Schools.

Before the application of oversubscription criteria, children with a statement of special educational need or Education, Health and Care Plan which names the school will be admitted. As a result of this, the published admissions number will be reduced accordingly.

If the number of preferences for a Community or Voluntary Controlled primary, infant or junior school is more than the number of spaces available, places will be allocated in the following priority order:

1. **Children in public care/looked after children and previously looked after children** - (see note 1)
2. **Attendance at a paired infant school** - (see note 2)
3. **Sibling** (a brother or sister attending the named schools at the time of application and who will still be attending in September 2016) – (see note 3)
4. **Denominational preference** (for Voluntary Controlled church schools only) – A supplementary information form is also required (see note 4)
5. **Medical, health and special access reasons** – (see note 5)
6. **Children of teaching staff** – (see note 6)
7. **Nearness of children’s home and (for Halling Primary School only) ease of access to the school** – (see note 7)

Please note for children of multiple birth –

In the event of a school being oversubscribed where the parent/carer for the final qualifying place(s) available is the parent/carer of twins, triplets or other multiple birth, the Council will give multiple birth applications a higher priority for place than other applications with the exception of children in public care. Parents/carers/carers must tick the appropriate box on the application to indicate the children are of multiple birth.

Tiebreaker –

In the unlikely event that two or more children in all other ways have equal eligibility for the last available place at the school, the names will be issued a number and drawn randomly to decide which child should be given the place.

Definitions and Notes

1.

Looked after children are children who are (i) in the care of a local authority, or (ii) being provided with accommodation by a local authority in the exercise of their social services functions (as defined in Section 22(1) of the Children Act 1989) at the time of making the application for a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (under the terms of the Adoption and Children Act 2002, Section 46) or became subject to a residence order or special guardianship order (under the terms of the Children Act 1989, Section 8 and Section 14A).

- **Please note that the Council may ask for a copy of the adoption/residence order and proof of the Looked after child status to validate this criterion.**

2.

This criterion applies to applications for Year 3 in junior schools only.

Where admission links (pairing) have been established between the infant and junior school concerned, children attending the infant school are given a higher priority for admission to the junior school.

3.

We give priority to children who have a sibling at the named school. Sibling means children who live as brother/sister in the same house and includes natural siblings, adopted siblings, foster siblings and step siblings. Extended family, for example cousins, living in the same house do not qualify as siblings.

The sibling link also applies across 'paired' schools. This means if parents/carers are applying for Year R in the infant school and have an older sibling in the 'paired' junior school the sibling link will be considered and also if the parent is applying for Year 3 in the junior school and has a younger sibling in the 'paired' infant school the sibling link will apply.

- **Please note that if the older sibling is in Year 6 at the time of application, the link cannot be considered, as they will not be in the school when the younger child would start in September**

4.

When a parent/carer applies for a place at a Medway Voluntary Controlled Church of England School on the grounds of denomination, such application must be supported by evidence that either the child or at least one parent/carer is a regular worshipper (the level of attendance should be at least once a month) at a church affiliated to, or represented at "Churches Together in England" or the "Evangelical Alliance" and has been for at least 12 months prior to the application being made.

Parents/carers must ensure that they have also completed the supplementary information form (SIF) for Medway Voluntary Controlled church schools. A copy of the SIF is attached in appendix 1.

The SIF is available from and returnable to any Medway Voluntary Controlled church school (as listed below) and is also available on the Council's website (www.medway.gov.uk/admissions).

- **The SIF does not constitute an application for the school and parents/carers must complete their home Local Authority application as well (either online or paper). The SIF on its own will not be processed unless there is also a valid application for the school.**

The SIF must be returned to the relevant school by the closing date for applications.

St Nicholas CE Infant School	The Pilgrim CE Primary School

5.

Medical, health and special access reasons will be applied in accordance with the school's legal obligations, in particular those under the Equality Act 2010, as follows:

- For children whose mental or physical impairment means that they have a demonstrable and significant need to attend a particular school, or
- For children whose parent/carers mental or physical impairment means that they have a demonstrable and significant need for their child to attend a particular school.

Such claims must be clearly identified on the application and need to be supported by written evidence from a suitably qualified medical or other practitioner who can demonstrate a specific connection between the needs of the child or parent/carer and the particular school. All evidence must be sent to the Student Service Team by the closing date for applications.

6.

A child can be considered under this criterion where a member of teaching staff has been employed at the school requested for two or more years at the time the application is made.

7.

All distances and routes calculated are for the purposes of prioritising the application for admissions only and there is no expectation that a child should use this to walk to school.

Distances and routes calculated will represent the shortest route to school from the child's home address using roads and paths that are known to the graphical information software (GIS) utilised by Student Services-Admissions Team.

The start point:

- The centre point of the nearest road or footpath known to the GIS system to the seed point of the child's home (as defined by Ordnance Survey).
- This may not always be the postal address road, in circumstances where an alternative road or footpath is actually nearer to the seed point of the property.

The end point:

- This will be either a pre-defined point within the school site or the centre point of the road adjacent the school site.
- The same end point is used for all distance calculations to the school concerned.

Routes/Footpaths:

- The distance calculated is the shortest available route known to the Medway GIS (using the centre point of the streets and other available routes).
- Not all footpaths, cut-throughs, shortcuts and new roads are known to the GIS system. Where a route is not known to the GIS system an alternative route will be used.
- Where a child's home is situated on a new road the distance calculation will begin from the nearest available known road plotted in the GIS. New property developments may be subject to this.

Halling Primary School only –

This school will use the ease of access part of this criterion, which means:

- places are first offered to children living in Upper Halling (as defined in the hatched area on a map which is available at the school), which includes Ladds Farm, and Clements farm areas.
- secondly places are offered to those children living in Halling (as defined in the checkered area on a map which is available at the school) including Formby Cottages to the north and Ladds Lane area to the south.
- Any remaining places at Halling Primary School will be offered on nearness of children's homes to the school.

Section 3 –**Published Admission Numbers for Community and Voluntary Controlled Schools.**

Every school must have an admission number for each 'relevant age group' (this is defined in law as 'an age group in which pupils are normally admitted').

The expectation is that the published admission number (PAN) at the point of entry for the school will then follow that year group of children throughout each subsequent year in the school.

The proposed published admission numbers (PANs) for Community and Voluntary Controlled Schools are shown below:

Section 4 – Information regarding Primary In-Year (casual) Admissions and Fair Access Protocols

In-Year (casual) Admissions:

A casual admission is either a new applicant who is moving to Medway or an existing resident attending a Medway school who wishes to transfer. Entry is to year groups 7-11 during the academic year and outside of the transfer process.

Under the provisions of the School Admissions Code (December 2014), paragraph 2.21 there is no requirement for local authorities to co-ordinate in-year admissions.

Details of the in-year (casual) admissions processes for Medway schools and academies will be published on the Medway Council website (www.medway.gov.uk/admissions).

Places for in-year admissions must be offered in accordance with the published oversubscription criteria for the relevant school/academy and parents/carers must be advised of their right of appeal if a school named on the application cannot offer a place.

Fair Access Protocols:

Please Note that at this time all Medway primary, infant and junior schools and academies have agreed that Fair Access Protocols should not be used for primary in-year admissions as all schools should admit an applicant if places are available.
