Selfserve4you
Medway Council HR portal

Selfserve4you allows employees to view their own personal details held on the HR System, including addresses, bank details (last four numeric's of the account number only) and payslips – including the ability to update or correct certain items as necessary. Therefore you will not receive paper copies of any pay documents and will need to access the system to do so. Whilst you can access Selfserve4you from any internet enabled computer, if you have an email address which ends @medway.gov.uk your first logon will need to be done within the work environment.

First Time Logon Instructions

To log into the system the first time you will require your 7 digit employee reference number (which can be found on a previous payslip or contract). Select forgotton password and follow the onscreen instructions. Alternatively, **Click here** to obtain instructions that you can print if required.

The following screen will then be displayed:

- Enter your 7 digit Employee Reference Number (this is displayed on a previously issued printed pay slip, to the left of your name, or if you are a new employee will be on your contract under 'Our Ref')

- Enter your date of birth in the following format: ddmmyyyy – (For example: if your date of birth is 29 July 1985, enter as 29071985)

- Click on 'reset my account'

- The system will now generate a temporary secure password which will be e-mailed to your corporate address (@medway.gov.uk **or** @medway.org.uk).
  Please Note: The temporary password must be used within 60 minutes, else will expire and the above process will need to be repeated.

- Return to the Welcome Page on @SelfServe4You and:

  - Enter your 7 digit Employee Reference Number
  - Enter the Temporary password issued in the field 'Your Password'
  - Click on 'Sign in'

- You will now be prompted to enter your date of birth and to set up answers to four security questions (the answers are case sensitive) and then to change your password (passwords must be a minimum of 8 characters and contain at least one lowercase, one uppercase character and one digit (i.e. Example1)
