Please explain the reasons why the area is considered appropriate to be designated a Neighbourhood Area and attach an Ordnance Survey based plan at an appropriate scale that clearly identifies the proposed Neighbourhood Area outlined in red.

The Neighbourhood Plan, is set to cover the areas of the existing Stoke Parish boundary area.

We wish to work within the destination of Stoke Parish Council and their areas of responsibility. As a parish we work as a community and wish to development the area for the benefits of the community and landscape, which is why we wish to use the existing boundary as the limitations of the plan.

This area covers Lower Stoke Village, Middle Stoke and Upper Stoke Hamlets, alongside the surround farm areas up to our boundaries with Allhallows, Higher Halstow, isle of Grain, St. Mary Hoo and Hoo St Werburgh Parishes.

Please continue on to a separate sheet if more space is required.

I hereby apply for the designation of a Neighbourhood Area as described in this form and shown on the accompanying plan.
